Boost sales
in-store and online

Safeguard against
competitive purchase

Maximize ROI
from **all** digital marketing

Unlock powerful
consumer demand analytics

Destini for Websites

Capture sales from any page on your website. Destini makes your entire website shoppable by combining real-time online inventory with the largest, most accurate product availability for brick & mortar retailers in North America.

Omnichannel Where-to-Buy

Lead high-interest shoppers to buy your products at their preferred retailers both in-store and online.

Product Page Locator Widgets

Maximize conversion on any page of your website by displaying in-store and online purchase options for a single product or product group.

Shoppable Recipes

Monetize your website's recipes with "add to-cart" functionality so consumers can move all ingredients to online checkout in a single click.

Destini for Digital Marketing

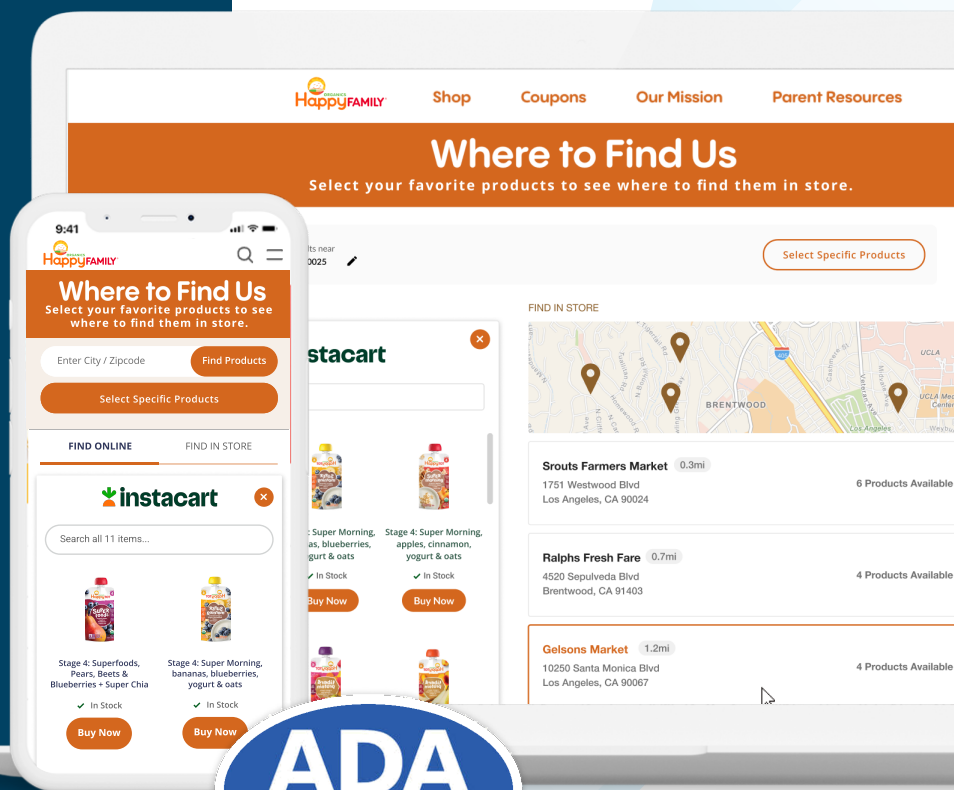

Capture more sales from organic or paid digital advertising. Destini integrates with digital marketing campaigns on any platform to make your media shoppable and maximize ROAS through retargeting, audience creation, and more.

Shoppable Landing Pages

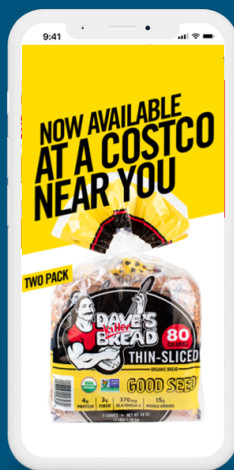

Promote your products at any combination of retailers with custom landing pages that drive to online checkout in a single click.

Direct-to-Cart Links

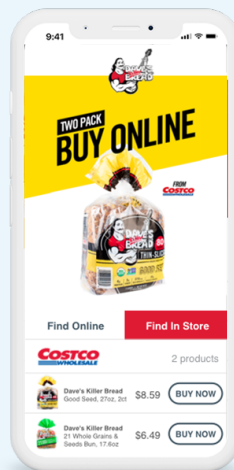

Link directly from ads, social posts, and emails to online checkout with your products in cart.
